

SLOW DOWN. TAKE THE TRAIL. HEIGHTEN YOUR SPIRITS!

Colorado boasts one of the largest and most vibrant distilling communities in the country. To inspire the discovery of spirits pioneered by some of the most creative makers in the industry, 61 craft distilleries have joined together to create the Colorado Spirits Trail.

We strive to redefine the American frontier and invite novices and connoisseurs alike to experience our innovative spirits across the Eastern Plains and the Western Slope, through the bustling cities of the Front Range, and the snowy peaks of the Rockies.

HOW IT WORKS

Collect stamps on your printed map at each participating distillery. After visiting 10 distilleries present your stamped map at one of the participating distilleries and ask for a t-shirt. The distillery will give you a t-shirt and bragging rights for having completed the first round of the Colorado Spirits Trail.

While we firmly believe that your journey along the Colorado Spirits Trail, and the delicious spirits that you experience, are reward in and of themselves, we will sweeten the pot still by presenting everyone who receives a stamp from all participating distilleries represented on the 2019 map, also referred to as TrailBlazers, two bottles of spirits selected randomly from the participating distilleries.

In addition, there will be a monthly drawing from all completed maps submitted to present one TrailBlazer with 40 bottles of spirits selected randomly from the participating distilleries. All bottles will be distributed in 2020. Only one 40 bottle winner per household.

TO SUBMIT YOUR COMPLETED MAP

Go to ColoradoSpiritsTrail.com for more information on how to submit your completed map and claim your bottles of Colorado craft spirits. If among all of the fun you forget to get your map stamped, save receipts or photos of yourself enjoying the distillery to verify your visit.
